OBJECTIVE

Nkiruka is a skilled software developer with extensive experience in React.js, Vue.js, and full stack development. She seeks a challenging role in an innovative company where she can drive success, deliver solutions, enhance efficiency, and grow professionally in a collaborative environment.

EDUCATION

ABUBAKAR TAFAWA BALEWA UNIVERSITY, BAUCHI STATE. B.Eng. Computer and Communications Engineering. **2015-2021.**

SKILL(S)

Languages: JavaScript (ES6+), Typescript, PHP.

Frameworks/Libraries: Vue.js, React.js, Next.js, Nuxt.js, Angular.js, Tailwind CSS, Bootstrap

Tools & Platforms: Git, GitHub, Vercel, Vitest, Netlify, AWS, Firebase, Heroku, Node.js.

State Management: Redux, Vuex, Pinia, Zustand

Payment Platform: Flutterwave, Paystack, Remita.

Core Competencies: Strong Problem-Solving, Agile Methodologies, Effective Communication, Team Collaboration

WORK EXPERIENCE

Senior Frontend Developer (contract) | Tespire LLC Aug 2024 – Present

Technologies: Vue.js, Pinia, Laravel, Vitest, Tailwind CSS.

- Crafted and deployed an intuitive, responsive user interface using Vue.js & Laravel, significantly improving accessibility and user satisfaction.
- Contributed to the creation and launch of [Tespire school](#), [Tespire agent](#), and **Tespire Control House**, an advanced educational platform designed to streamline school management by efficiently maintaining institutional records and operations.
- Designed scalable and maintainable frontend systems ensuring long-term reliability and a superior user experience.

Frontend Developer | Scelloo Technologies Nig Ltd. Aug 2023 – Dec 2024

Technologies: Vue.js, Nuxt.js, Typescript, Node.js, Tailwind CSS.

- Successfully designed and built a responsive user interface using Vue.js & Nuxt.js, resulting in a 30% increase in user engagement through improved web interactions.
- Played a crucial role in developing and launching [Cornie Health](#), a comprehensive health solution used by various healthcare sectors.
- Contributed to the development of robust frontend architectures, ensuring scalability and maintainability.

Frontend Developer | Green Tech Communications & Network Ltd. Jan. 2022 – Jan. 2024
Technologies: Vue.js, React.js, Next.js, Nuxt.js, Tailwind CSS.

- Developed responsive features and queries to ensure seamless user experiences across various phone sizes
- Contributed to the design and development of web-based user interfaces, crafting highly responsive web applications using React.js.
 - Successfully oversaw the deployment of two major platforms: [NaijaKoboMarket](#), an ecommerce solution, and [Stella Sync](#), a data synchronization health solution platform.
- Collaborated with cross-functional teams, including Backend developers and Product Managers/Owners, to ensure efficient and fully functional websites. Also Built modular, reusable components using Vue.js and React.js, promoting code maintainability and scalability.

Fronted Developer (contract) | Scillafeld Solution Ltd. Aug. 2022 - Dec 2022 Technologies: React.js, Next.js.

- Developed secure and user-friendly applications using React.js and Next.js, significantly enhancing health performance and user experience.
- Designed and implemented responsive interfaces, ensuring seamless functionality across multiple devices and browsers with React.js, Vue.js, and Bootstrap.

Frontend Developer (Intern) | Stutern Graduate Accelerator. Oct. 2020 – Aug. 2021
Technologies: Vue.js, React.js, TypeScript, Angular.

- Developed components for websites and web applications using HTML, CSS, and JavaScript, creating responsive and user-friendly interfaces with ReactJS, VueJS, TypeScript, and AngularJS.
- Collaborated effectively with designers, product managers, and backend engineers to understand requirements and convert them into functional, visually appealing user interfaces. Implemented responsive design strategies to ensure compatibility across various devices and browsers.

VOLUNTEER AND EXTRACURRICULAR ACTIVITIES

Article Streak contributor in 2022 – 2024.

I served as an Anchor during the charity event organized by NFCS in 2020.

ACHIEVEMENT, HONORS AND AWARD

- TxE African Scholarship – Genesys Learnable Development Internship Program with emphasis on software programming & product design 2021-2022.
- Organized a successful charity event with team 2020.
- Monitored and saw to completion of a telecommunications mast with antennas, radio waves and cabinets for both Airtel and MTN 2G, 3G and 4G in 2019.

HOBBIES

Researching, Playing Chess, Coding and Writing.
